Hello Russ and Dave,

This call will be to go over the PCB cleanup approach for the warehouse building at the former Westinghouse facility in Compton, California. Before that call, I will send my thoughts on the proposal to you. Please confirm if Hager Pacific plans to participate on the call as the owner of the building.

I will set a conference call line that I will send later to you.

Thank you for your courtesies.

Carmen Santos  
PCB Coordinator
